Corum Advises VTN Technologies in Acquisition by SilkRoad Technology

11.21.08, 08:08 AM EST

BELLEVUE, Wash., Nov. 21 /PRNewswire/ -- **Corum Group Ltd.** today announced the acquisition of its client, **VTN**

Technologies, Inc., an Alberta-based software-based training innovation firm known for its Ole(TM) Online Learning Environment, by **SilkRoad Technology, Inc.**, a N.C.-based leading provider of talent management solutions.

"The complementary nature and tremendous synergies between SilkRoad and VTN was evident right from the very first meeting," said Marshall Warwaruk, vice president of Corum. "Both organizations recognized the growing demand for a fully integrated 'talent management solution' especially with the convergence of e-Learning and HR Performance Management. Moreover, the business fit was remarkable: they both addressed critical talent management and e-learning needs in the enterprise market, delivered functionally-rich, complementary Web-based solutions, pursued the same target customers and offered a very attractive value proposition under a SaaS business model."

VTN's Ole is a Web-based learning environment with more than 400,000 subscribed users across world-class client

About VTN Technologies

VTN is a dynamic software company leading the way in technology-based training innovation. VTN's LMS/LCMS product Ole(TM), Online Learning Environment, gives organizations an easy-to-use, cost-effective, robust learning platform that delivers on the promise of reduced training costs and increased learning effectiveness. VTN, through Ole(TM), has automated the learning development and management processes, and enabled blended learning strategies that work. Ole(TM) is built using the latest XML and MS.NET(R) technology and is SCORM certified.

About SilkRoad Technology

SilkRoad Technology, Inc. provides software-as-a-service (SaaS) solutions that significantly improve the talent within its more than 800 customers across the globe. Through SilkRoad's Life Suite(TM), an integrated talent management solution, companies are able to hire better employees, identify high and low performers, drive a pay-for-performance culture and improve employee tenure. The SilkRoad Life Suite includes OpenHire(TM) for recruiting management, RedCarpet(TM) for employee onboarding and life events, WingSpan(TM) for flexible employee performance management, GreenLight(TM) for organizational learning, and Eprise(TM) for employee intranets and content management.
